How to view the Command Staffing Report (CSR) thru INFOPAC-RDS

The CSR is viewed from the Marine Corps Data Network (MCDN)/3270.

Your userid must have the profile for INFOPAC and be defined within the system prior to viewing. If you do not have access contact your local TASO and request to get access to INFOPAC at one of the three sites listed in step 2 below.

Once you have access to INFOPAC, call or send email to:

Scott Ward at scott.ward@usmc.mil

DSN 278-9200/ Comm (703) 784-9200

Please have the following information available:

1. Your userid or any that will be accessing the CSR.
2. The site which you will be logging into. MCQINFO, CLBINFO, CPPINFO
3. The MCC(s) you wish to view.

The CSR can only be accessed from the **SI** Domain

Follow the screenshots to view your CSR. Good Luck.

You are accessing a U.S. Government (USG) Information System (IS) that is
provided for USG-authorized use only. By using this IS (which includes any
device attached to this IS), you consent to the following conditions:
-The USG routinely intercepts and monitors communications on this IS for
purposes including, but not limited to, penetration testing, COMSEC monitoring,
network operations and defense, personnel misconduct (PM), law enforcement
(LE), and counterintelligence (CI) investigations.
-At any time, the USG may inspect and seize data stored on this IS.
-Communications using, or data stored on, this IS are not private, are subject
to routine monitoring, interception, and search, and may be disclosed or used
for any USG authorized purpose.
-This IS includes security measures (e.g., authentication and access controls)
to protect USG interests--not for your personal benefit or privacy.
-Notwithstanding the above, using this IS does not constitute consent to PM,
LE or CI investigative searching or monitoring of the content of privileged
communications, or work product, related to personal representation or
services by attorneys, psychotherapists, or clergy, and their assistants.
Such communications and work product are private and confidential.
See User Agreement for details.
